“The Restaurant with a Family Atmosphere”

TO OUR GUESTS:

Colony Diner is proud to be able to offer gluten free and vegan options for everyone to enjoy. Our kitchen staff is trained and monitored to make sure that our vegan and gluten free dishes are not compromised. We can ensure that our ingredients are gluten free and vegan to the best of our ability. However, we do not operate in a gluten free or a vegan kitchen. Because our dishes are made to order, some ingredients may come in contact with one another and we cannot guarantee that cross-contact will not occur.

We take our guests' dietary needs very seriously and ask that before placing your order, you inform your server of your food allergy and/or sensitivity so we can do everything possible to safely accommodate your dietary needs.

Thank you,
Your Colony Diner Family
